EDUCATION

Bachelor of Engineering in Computer Science and Engineering
Gujarat Technological University (Grade: 8.07 CGPA)

June 2019 – June 2023
Patan, Gujarat, India

EXPERIENCE

Jr Web Developer

Uniquall itech

Oct 2023 – Present

Surat, Gujarat, India

- Developed and maintained 10+ live web applications and admin panels using React and Next.js 14+, integrating RESTful APIs, optimizing UI performance with Material-UI, and ensuring high code quality via GitLab version control.
- Collaborated with cross-functional teams to deliver scalable frontend solutions within tight deadlines, consistently contributing to successful product launches and seamless user experiences.

Software Developer Intern

Solguruz

Feb 2023 – June 2023

Ahmedabad, Gujarat, India

- Software Engineer Intern (Frontend) focused on developing responsive, user-friendly web applications using React, JavaScript/TypeScript, and styling frameworks like Tailwind CSS and Material-UI.

PROJECTS

Sync UI

- Created Sync UI, a design-focused UI library offering elegant and accessible components built for seamless integration in modern web apps, with a strong emphasis on user experience and visual polish.
- Gained visits from 60+ countries, 50+ github stars by top developers, and launched 3 premium-ready templates-making high-quality, production-ready UI accessible to indie makers and teams.
- Technologies: React, Next.js, MUI, Framer Motion, JavaScript
- Live: <https://www.syncui.design/>
- Github: <https://github.com/AbhiVarde/syncui>

Idea Tracker

- Created Idea Tracker, a personal project to organize and manage side project ideas with smooth UX, multilingual support, and real-time interactivity-built to help developers stay inspired and focused.
- Reached users in 30+ countries, received recognition from the Appwrite and Lingo.dev teams, and evolved through community feedback with features like OAuth login, analytics, and dark/light theme switching.
- Technologies: Appwrite, React (Vite), TailwindCSS, Framer Motion, Lingo.dev
- Live: <https://idea-tracker.appwrite.network/>
- Github: <https://github.com/AbhiVarde/Idea-tracker>
